Re: Limited Participant in the Proposed Postal Rate, Fee and Classification Changes
Docket No. R97-1

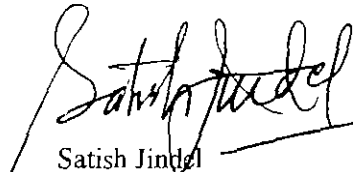

Dear Ms. Crenshaw:

We wish to be a Limited Participant in the subject case before PRC. SJ Consulting Group provides consulting services to major shippers, carriers, and vendors that are heavily impacted by the changes at the U.S. Postal Service. The subject request filed by USPS with PRC is of significant importance to the transportation industry and our clients. Consequently, please accept our request for limited participant in the subject case before the Commission.

We look forward to receiving confirmation on the acceptance and to be placed on the mailing list for relevant documents relating to this case. If we are required to serve such notice to all other participants, then please advise and provide the mailing list for them.

Thank you for your cooperation.

Sincerely,

Satish Jindal
Principal
